Martin Enterprises

2nd Quarter, 2014

April—June

N

Ann's House of Nuts Collaboration

At the end of the 2nd quarter, Martin Enterprises was contacted by Ann's House of Nuts in Robersonville to assemble pallet displays and floor shipper displays for their customers. The pallet displays involved assembling a corrugated tray, filling with bags of trail mixes and stacking in a configuration to Ann's House of Nuts specifications. The floor shipper display involved creating a corrugated container with shelves and filling with a mix of trail mixes, folding parts for the display and palletizing for shipment. Martin Enterprises is excited about this new project and would like to thank Ann's House of Nuts for considering us for their production needs. If your company has need for packaging or simple assembly, please feel free to give Eric Manning at Martin Enterprises a call.

Adult Day Program

The Adult Day Program has spent this quarter beefing up our involvement in the community through volunteering and leisure activities with our peers and co-workers at Martin

Enterprises. On April 21st we enjoyed providing volunteer services at Vintage Inn, as we helped the residents participate in their Easter Egg Hunt. We've also added a new volunteer opportunity to our list, as we've recently started delivering meals 3 times per month for Meals on Wheels. On May 20th we put our hands to great use as we took part in a Strawberry Picking community outing. We are sticking to our motto, "reach goals, but have fun while doing it."

Martin Enterprises welcomes its newest employees to the organization! Join us in welcoming our new staff.

Martin Enterprises is your local facility for cardboard and computer recycling. If you have old computers and/or cardboard, our facility will be more than willing to accept these items.

will be more than willing to accept these items.

Think About It....

The only person you should try to be better than, is the person you were yesterday!

ARC & UCP Group Homes On the Move

During the second quarter, the group homes were busy and on the move. In the month of April the clients attended the Message of Easter Drama in Farm Life. The clients also enjoyed Easter dinner at Golden Corral where they fellowshiped together over an enjoyable meal. Koinonia Christian Center in Greenville sponsored a Disabled Fun Fair where our clients enjoyed games, rides, dancing, food, singing, clowns, etc. The clients really enjoyed their special day.

In June, the clients participated in a local annual gathering in Robersonville. The Elks Turnout provided spectators with horse riders, motorcycle riders, vintage cars, steppers, and much more. The Main Event Band provided "oldie goldies" music and everyone enjoyed dancing in the streets. Hot dogs, chips, and sodas were sold for \$.25....a back in the day price!

PsychoSocial Rehabilitation Program

The consumers in the PSR Program were extremely busy having fun and being educated about living healthy lifestyles this quarter. In the month of April the consumers participated in The Biggest Loser contest promoted by The Wellness Committee, to motivate consumers to lose and maintain their weight. The consumers also went on an outing to a local restaurant for lunch and to Godwin/Copage Park to participate in activities to increase social skills. The highlight of this month was the Health Fair sponsored by the Wellness Committee. Local healthcare facilities and employees came to teach methods to maintain your health. The consumers also tried samples of healthy foods and had the opportunity to ask questions.

In May the consumers went to "U Pick Garden" to pick fresh strawberries. They had the opportunity to taste and learn about foods that can be prepared using strawberries. The consumers also participated in a Money Management class taught by employees from the local BB&T. The consumers celebrated and learned the origin of both Mother's Day and Memorial Day.

Finally, in June, the consumers celebrated and learned about the start of both Father's Day and Flag Day. Consumers were excited about the upcoming summer season, but concerned about the hurricane season as well. To conclude the quarter, in efforts to continue to promote healthy living, The Wellness Committee sponsored "Salad Day" for all staff and consumers to enjoy....it was DELICIOUS and REFRESHING!!!

Production Log—2nd Quarter 2014

The CAP Department Enjoys Summertime Fun!

This quarter has been filled with fun and exciting activities for the clients.

The clients enjoyed picking strawberries at the strawberry patch in Robersonville. Each client was able to pick their own strawberries to take home and enjoy with family and friends.

The CAP department also enjoyed an outing to the Washington Waterfront and park. The clients were able to see lily pads and turtles as well as other wildlife. After leaving the Waterfront, lunch was enjoyed at the Dragon Garden Buffet.

'HOSPITALITY CORNER

Looking for a different place to enjoy Breakfast or Lunch? The HC is the place! Located in the lobby of Martin General Hospital.

Successful Combustions

Igniting consumers to know that they are the start to something GREAT!

Vocational Rehabilitation Services Supported Employment/Work Adjustment Achievements

Work Adjustment placements goals for the fiscal year is 65 placements. We are on target and have placed a successful number of consumers to reach our intended goals.

Clients have successfully obtained positions at Hampton Inn, HTM Concepts, Wal-Mart, Econo Lodge, Tractor Supply Company, Holden Temporaries, Mega Force, Service Xpress, Food Lion, and Big City Gyros Pita to highlight a few. CES's work with each consumer on an individual basis to help with the noted referral needs with hopes of assisting him/her to improve their work ethics, communication and interpersonal skills, and to gain a positive outlook for their future. We

encourage each consumer that they are the start of something great; you are somebody! CES's ignite each individual by encouraging them to make positive changes that will only bring forth successful combustions for them! Striving to reach each goal set and working as a team has helped us gain success this quarter.

Each quarter a WA In-House consumer is highlighted as "Worker of the Month" based on the individual's performance, attendance, behavior, production, ability to stay on task, team work, and dedication. Each recipient received a paid meal card, a certificate, and 50 tokens to use in the Reward Gallery as an incentive for their hard work and dedication.

Supported Employment closures have decreased to 17 with 2 placements this quarter. We have dedicated SE consumers that have maintained successful employment ranging from one year to five years. During each quarter appreciation is expressed to the consumers through the Success Club Outings. The Second Quarter Success Outing was in Nags Head on June 9th. The outing consisted of a walk along the oceanfront and lunch at Applebee's. Participants stated they enjoyed the day and looked forward to the next outing. They discussed a visit to an arcade or to engage in river roving for the upcoming event. Participants discussed job retention, work performance, and long term goals. Both consumers planned to continue to work and excel at their current employment locations. One consumer was pleased to inform the group that he was awarded a raise at his job. He is proud to still be employed and appreciative that his supervisor took his character, longevity, and work performance into consideration at the time.
