

Press release, 1-29-13:

Christmas Tree Lights Recycling Collects Over 1000 Pounds

This past holiday season Martin Enterprises conducted a collection for burned out Christmas tree lights. Blue collection roll carts, donated by Waste Industries, were set up in various places around Williamston and Greenville for drop off.

The final weight for collection this first year was 1080 pounds. We want to thank everyone who participated and helped in any way.

The drop off sites in Williamston were **Walmart, Rose's, Martin Community College, Martin Co. Economic Development Corp./Telecenter, South Creek and Riverside High Schools** and **Martin Enterprises**. In Greenville collection carts were at **Practicon** and **Acculink**. You can visit www.meproduction.org or call 252-792-8251 for more information.
