*Press Release, 5-3-13:* **Martin Enterprises Hires  
Procurement Specialist**

Roger Coltrain, former warehouse manager for Bounty Trading, has come on board at Martin Enterprises as a Procurement Specialist.

A Williamston native, Roger has been in the warehouse and trucking industry since 1988. He began working for Bounty Trading in 1999. Roger was still residing over the afore mentioned warehouse during the purchasing process by Martin Enterprises in March 2013.

Because of this, it seemed to be a natural fit for Roger to come on board with the non-profit to work on procuring renters for part of the 91,000 square foot warehouse space and to potentially identify and procure sub-contracting jobs for Martin Enterprises.

For additional information call Roger Coltrain at 252-799-6827.
