VOCATIONAL REHABILITATION

This fiscal year ended in a pleasant upswing for the VR Department. Employment has been acquired by our consumers in Bertie, Martin, Pitt, Washington, and Beaufort County. We have placed 11 Work Adjustment clients and 3 Supported Employment clients this quarter.

We would like to extend a special thank you to Fairfield Sales, Food Lion of Scotland Neck, Brooks Construction, KFC and Piggly Wiggly of Williamston, Flagstone Foods of Robersonville, Perdue, ITW-Medical, and Porky's. These businesses continue to employ our consumers as they recognize the benefits of our partnership. The VR Department encourages you to Shop Local. It provides these businesses the opportunity to employ our consumers. When our consumers work, our communities and businesses benefit!

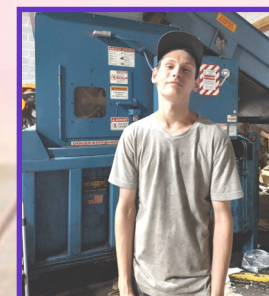

Our Community Based Work Adjustment (CBWA) Pilot Program continued through this quarter with a consumer in the clerical position at MCC and at HTM, allowing the consumer an opportunity for training in order to begin work in the community. Thank you to Judy Jeanette and MCC for this opportunity! Our newest site supervisor is Kay Peele of Martin County. Welcome Aboard!

Update! A CBWA consumer, recently trained at MCC, has begun employment in Beaufort County! What a great opportunity with MCC on his resume!

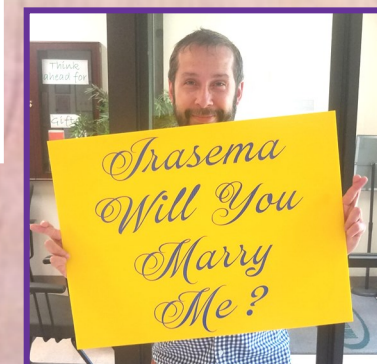

We want to partner with you as well to continue serving our community and helping our clients reach success. If you are interested in receiving services through the Vocational Rehabilitation Program at Martin Enterprises, please contact Sonona R. Jefferson, VR Services Manager at (252) 792-8251. We look forward to serving your needs.

Welcome Kay Peele, our new Title V worker!

ARC Residents and Staff say thank you and farewell to Loraine Norfleet for coming out of retirement to help out during the peak of the pandemic.

ARC / UCP GROUP HOMES

This quarter, ARC and UCP group homes spent a lot of time in arts and crafts and spending time outside. The residents planted flower rockets and lilies in their garden, painted wooden plaques in memory of loved ones for Memorial Day, had a cookout with music and socializing, attended the Bear Festival in Plymouth, created their own salads, designed farewell cards for a friend, and made picture frames. The residents also exercised, played catch, walked around in their communities, enjoyed movies, and learned how to hula hoop. The residents say that next quarter will be even better. I guess we will have to just wait and see!

WELCOME, NEW BOARD MEMBER, LARRY BIGGS!
LARRY JOINED THE MARTIN ENTERPRISES' BOARD OF DIRECTORS IN JANUARY 2021. WE ARE VERY EXCITED AND LOOK FORWARD TO WORKING WITH HIM.

POLICE OFFICERS AND BRIAN LASSITER (TRILLIUM) TOUR MARTIN ENTERPRISES

CLFS, ADVP, PSR, AND INNOVATIONS

This quarter started off with arts and crafts for CLFS, ADVP, PSR, and Innovations clients. The clients excitedly made glow jars, hand plant cards, and plaques for Mother's Day and Father's Day. The clients also participated in a balloon celebration for Mother's Day, a Father's Day tribute, a tour for Police Officers from various areas, relaxing at the park, growing potted plants, completing grocery shopping goals, and daily wellness walks. The clients were treated to Dairy Queen ice cream, weekly movie days with theater popcorn, a delightful fruit and salad day, and a scrumptious Pig Pickin catered by The Filling Station. This quarter kept the clients stimulated, but they are just getting started. Until next quarter!

WELCOME, MARTIN ENTERPRISES' NEW INNOVATIONS INSTRUCTOR, ERICA PORTER!
