CLFS, PSR, DAY SUPPORT, AND INNOVATIONS

The CLFS, PSR, Day Support, and Innovations groups are always busy as bees with volunteering for Meals on Wheels and the Williamston Community Garden, working on goals, arts and crafts, health and fitness, and visiting the library. This quarter, the groups experienced their first Checkers Tournament where staff and clients played against other staff and client teams. The groups were also able to enjoy fruit-flavored teas from City Café, lunch from Erica's Soul Food, and cool refreshments from Kona Ice. There were a lot of clients and staff members walking around with multi-colored tongues that day!

Innovations instructor, Vincent Burns, retired in July. Vincent had been with Martin Enterprises for 7 years. The staff and clients of Martin Enterprises will miss the instructor they lovingly called "coach". Enjoy your retirement!

ARC / UCP GROUP HOMES

This quarter, the residents of ARC and UCP group homes got excited about entering the fall season, so they decorated the homes in fall décor. The residents’ activities consisted of exercising to music, arts and crafts, playing the clothes pin and barrel of monkeys game, health walks around the neighborhoods, attending the annual Stampede in The Park located in downtown Williamston, and going out to dinner at the Deadwood restaurant in Beargrass, NC.

In August, Martin Enterprises said “Farewell” to Group Home Program Assistant, Jacquelyn Bell-Shiver. “Jackie” retired after working 10 years at Martin Enterprises. She will be missed.

Life is like a camera. Focus on what is important, capture the good times, develop from the negatives, and if things don't turn out right..... just take another shot.
