TRILLIUM SNACK DELIVERERS

CLFS, ADVP, PSR, AND INNOVATIONS

October—December

CHRISTMAS CARD CONTEST WINNERS

This quarter, CLFS, ADVP, PSR, and Innovations groups were privileged to resume their weekly volunteering with meals on wheels. In October, the clients and staff wore pink to show support for breast cancer awareness, worked in the garden at Martin Enterprises, created Fall arts and crafts, and dressed up for Spirit Week. In November, clients and staff were treated to a Thanksgiving Cookout, courtesy of Martin Enterprises. During the month of December, clients made Christmas crafts, gave Christmas gifts to their "Secret Santa," enjoyed a holiday luncheon catered by The Filling Station, and a New Year's Eve Celebration with finger foods, sparkling cider, music, and fun. Everyone is looking forward to next quarter with weight goals being met and Valentine's Day right around the corner. 2022, HERE WE COME!!!

In November, Finance Manager, Debbie Bunn retired. She had been with Martin Enterprises for 13 years. The staff and clients celebrated her retirement with cake and presented cards, gifts, and a celebration video to send her off with a smile on her face and tears in her eyes. She will be missed. When we are missing her too much, we can just....pick up the phone and call her. Enjoy your retirement, Debbie!

ARC / UCP GROUP HOMES

This quarter, ARC and UCP group homes were able to venture out into the community and stretch their legs. In October, the residents were entertained with movie nights, arts and crafts, exercising to music, and dancing to a Michael Jackson CD. The residents also attended a Trunk or Treat event at Finding My Way Fellowship in Williamston, the Differently Abled Fun Fair at Koinonia Church in Greenville, and went trail walking at River Park North in Greenville.

WELCOME, SHARONDA ASKEW, OUR NEW CLFS INSTRUCTOR!

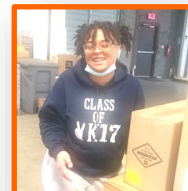

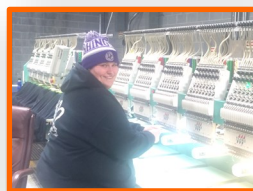

During the month of November, the residents attended a food fair in Washington, had lunch at the waterfront, and enjoyed a movie at the outdoor movie theater. At the homes, the residents made Thanksgiving plaques and took the time to count their blessings before a hearty Thanksgiving dinner.

In December, the group home residents went to the Christmas parade in Jamesville and enjoyed dinner out at Chopsticks. Getting into the Christmas spirit, the residents had a Christmas Pizza/Salad party, sang Christmas carols, watched holiday movies, exchanged gifts, and had a lovely Christmas dinner. Last but not least, the residents had a Christmas party at Martin Enterprises where they enjoyed an evening of eating, dancing, safely socializing with family and friends, and watching videos. See you next quarter!

VOCATIONAL REHABILITATION

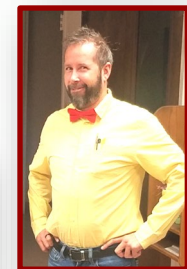

We made it! Ending 2021 with a BANG! Employment continues to be acquired by our consumers in Bertie, Martin, Pitt, Washington, and Beaufort County. We have placed 7 Work Adjustment clients and 3 Supported Employment clients this quarter.

We would like to extend a special thank you to Healing Hearts, Wal-Mart of Williamston, PAS, Bojangles, Sanderson Farms, Flagstone Foods, Ahoskie Inn, and Burke's. These businesses strengthen our partnerships as they continue to employ our consumers and grow our communities. The VR Department encourages you to Shop Local! It allows these businesses the opportunity to employ our consumers. When our consumers work, we all win!

Our Community Based Work Adjustment Pilot Program continued through this quarter with a consumer in the janitorial position at MCC and a second in the production position at HTM. This allows the consumers opportunities for training in order to begin work in the community. Thank you to Mr. Joe and MCC for this opportunity! Our current site supervisor is Ms. Kay Peele of Martin County.

We want to partner with you as well, to continue serving our community and helping our clients reach success.

If you or your company is interested in receiving services through the Vocational Rehabilitation Program at Martin Enterprises, please contact Sonona R. Jefferson, VR Services Manager at (252) 792-8251. We look forward to serving you or your company's needs in the future.

Here's another Fun Tip from Beaufort County Public Health of NC!
