PRODUCTION

PRODUCTION YEAR IN REVIEW:

During our 2021-2022 fiscal year, Martin Enterprises completed sub-contract work for several companies and sold recycled and baled corrugated material to Carolina Fibre of Greensboro. The following is a snapshot of the year:

Perdue	Padded poultry trays	3,950,400
Penco	Sorted Hooks	85,922
Cardboard	Recycled/baled tons of cardboard	114.20
Fastenal	Assembled locker hardware kits	4635
Demis	Assembled displays	3416

Martin Enterprises operates a recycling center for the collection and processing of corrugated materials. In addition to the obvious environmental benefits, this center provides local industries, businesses, and residents a considerable financial incentive to recycle corrugated material instead of depositing it into the county landfill.
