## Martin Enterprises

### "The Beginning of a New Day" of Activities

**M**artin Enterprises has introduced a new program called Adult Day Activities. The program was launched on September 16, 2013 at which time, we enrolled our first two clients who qualified for the program. Venues Hinton is the instructor for the Adult Day Program. Venues is a recent graduate of East Carolina University with a degree in Family & Consumer Services. The Adult Day Program is designed to support the individual's personal independence and promote social, physical and emotional well-being. The services support individuals through activities such as social skills development, leisure activities, training in daily living skills, and improvement of health status and utilization of community resources. The ultimate goal of the service is to assist individuals to live as independently as possible. For individuals looking to

enroll in this program, the criteria for this service is individuals experiencing difficulties in at least one of the following areas: functional impairment, crisis intervention/diversion/after care needs and at risk of out of home placement, hospitalization and institutionalization due to the symptom associated with diagnosis.

**I**ndividuals interested in this service may contact Martin Enterprises at (252)-792-8251 and speak with Darrell Overton, DD Services Manager.

# Up-Cycled Creations

The Annual Stampede, held downtown Williamston, was on September 27<sup>th</sup> & 28<sup>th</sup>. Martin Enterprises had a booth at the event featuring their Up-Cycled line of e-waste jewelry, clocks, wind catchers, and picture frames. Fall and Halloween wreaths and table top decorations were also for sale. These type of events are great for educating the public about our services and for showing our creative side!

## CARF Information

CARF is a private, not-for-profit national accreditation organization that promotes quality rehabilitation services. Martin Enterprises is CARF accredited for the following services:

Supported Employment (SE), Work Adjustment (WA), Vocational Evaluation (VE), Adult Developmental Vocational Program (ADVP), Psychosocial Rehabilitation (PSR) Production Work and Community Support.

If you have any questions concerning SE, WA, or VE, please contact Charlene Ward, Program Services/Records Manager. For information concerning production work, please contact Eric Manning, Production/Safety Manager. To learn more about CARF, you can visit their website at <http://www.carf.org>.

Vocational Rehabilitation Work Adjustment's new placement goal for the fiscal year has increased to 60. On a daily basis the Community Employment Specialists (CES) face various barriers that delay some consumers from being considered or even hired for employment based on his or her criminal background, limited work experience, and reliable transportation, which all plays a major part in job placement. Even so, things have been falling into place during the third quarter for the VR Department and the CES. Employment opportunities were presented through the temporary agency Mega Force for some Work Adjustment and Supported Employment consumers to work at Martin Enterprises. Martin Enterprises employed 11 consumers as Production Workers through Mega Force and the workers have been working diligently and meeting production goals. Martin Enterprises also employed a Truck Driver to pick up cardboard from various businesses in Martin County for the recycling department. Additional job placements were at Hardee's, James Family Care, Holiday Inn Express, and Ann's House of Nuts. As a result, the total job placements were 17 along with 18 Major Benefits to conclude the quarter. CES Carter, Jefferson, and Williams strive daily to help each consumer seek employment, enhance skills needed to obtain and maintain a job, as well as prepare them for interviews and arrange reliable transportation.

Each month a Work Adjustment/Evaluation in-house consumer is highlighted as the Outstanding Worker of the Month. The recipients for each month were:

July – Michael W., August – Veronica B., and September - Marian S. Each received a certificate and a free lunch card for their accomplishments.

**Success Club Meeting** - The Third Quarter Success Club Meeting was held September 11, 2013 at Washington's Estuarium. One consumer, CES Jefferson, Williams, and Carter were in attendance. Participants enjoyed an informational tour and learned about the history of Beaufort County and the Pamlico Sound. Afterwards, participants had lunch at Golden Corral in Washington. CES Jefferson, Carter and Williams discussed with the consumer how to cope with the transition of new management and job retention. The consumer was recognized for working at Three Rivers Nursing Home for 5 years. He will be honored at the Fourth Quarterly Outing.

# ARC & UCP Group Homes

## Exploring the World!

The clients at ARC & UCP Group Homes participated in several activities during this quarter. On July 28<sup>th</sup>, the clients enjoyed a day of fellowshiping at Salvation & Deliverance Church in Tarboro, NC for Friends & Family Day!

On August 24<sup>th</sup>, clients, family, and staff learned about France for their Culture Diversity Celebration. France's motto is Liberty, Equality, Fraternity. The French flag colors are blue, red, and white. The clients and staff decorated and dressed in blue, red, and white for the occasion. The French main dishes contained fresh vegetables, meat, and cheese. For everyone's eating enjoyment, we served spaghetti, fruit trays, vegetable trays, crepes, and pizza rolls.....BON APPETIT!

On September 14<sup>th</sup>, clients and staff enjoyed the day at the annual Homecoming Parade along with other festivities.

On September 28<sup>th</sup>, clients and staff spent the evening at the Stampede and enjoyed dinner at Burger King.

## PSYCHOSOCIAL REHABILITATION DEPARTMENT

The Psychosocial Rehabilitation Department has been active during the 3rd quarter! In the month of July, the consumers learned the origin of Independence Day (4th of July). They drew pictures of their choice pertaining to the holiday and wrote a brief story about their drawings.

In the month of August, the consumers went on an outing to Greenville. The outing consisted of lunch at Bojangles and going to The Regal 14 Theater to see Smurfs 2 in 3D. The consumers expressed their enjoyment of the movie and conversed about it for days! Also in the month of August, the consumers attended a Bullying class presented by Latoya Freeman of the Healthy Heads Up Program of Martin County. Participants learned about bullying and realized that some of the ways they were treating others was a form of bullying! All who participated were well informed and at the end of the class, repeated the motto, "Don't Bully...Be A Friend". Finally, to end the month of August with a bang, consumers and their peers participated in a Picnic in the Park at Godwin-Coppage Park in Williamston. They played lots of games and feasted on a bag lunch. The excitement was so great, consumers were inquiring about the next Picnic in the Park!

To end the quarter, in the month of September the consumers learned about the origin of Labor Day, completed worksheets, drew pictures of their choice, and wrote a short story pertaining to their pictures. The highlight of the month was a wiener roast provided by the staff!

The consumers were extremely excited about all the activities that were completed during the quarter and are now anticipating the upcoming events for the 4th quarter. Stay tuned because there is more to come from the Psychosocial Rehabilitation Department!

## ADVP & CAP DEPARTMENTS

The Adult Developmental Vocational Program (ADVP) and Community Alternative Program (CAP) have been busy this quarter as well. Highlights from their departments included summer fun in the park! Clients engaged in several outdoor games promoting exercise and making it fun! Everyone enjoyed bagged lunches and a refreshing snack of ice cold watermelon. After a fun-filled day in the park, ice cream was enjoyed by all!

Within the ADVP and CAP departments, clients are encouraged to take part in daily activities and games to promote teamwork, social skills, verbalization, and communication.
