1st Quarter, 2014

January—March

WELCOME!

The move has been made and we are willing, capable, and ready to supply your needs! If you are in need of promotional items, or perhaps you need a personalized one-of-a-kind gift for someone special, or maybe you need t-shirts for an upcoming event. Whatever your need may be, we are here for you! Our retail store will be offering a variety of items that can be purchased on-site. Our facility is located at 23366 Hwy 125, Williamston, NC (across from Williamston Yarn Mill). To place an order or to find out more about what we offer, please call 252-789-0508.

Adult Day Program

The Adult Day Program continues to show that you can reach goals, and have tons of fun while doing it. We've been cooking it up in the kitchen; getting down and dirty with planting; keeping it healthy and sweaty with a 3 day work out per week; and brushing up on our bingo skills by giving back to our community through volunteer services. Adult Day Program sets the mark with use of engaging activities that allow clients to remain motivated and eager to reach every goal presented before them. We're on the road of being more independent, being involved in the community, becoming social butterflies, but most importantly, accomplishing goals. It continues to be a fun ride!

WELCOME

Martin Enterprises welcomes its newest employees to the organization! Join us in welcoming our new staff.

ARC & UCP Group Homes

Happy New Year....New Quarter..... New Events! Every month, a new event takes place at each group home. Each home was decorated for New Year's, then Valentine's Day, and finally, St. Patrick's Day. This quarter, we had 4 clients to have individual parties for their birthdays and they were able to invite their family members to help in the celebration.

On February 2, a pre-super bowl party was held at UCP group home. Clients enjoyed food, music, and games. February 8th was our annual Valentine's Day dance. Everyone dressed in red and took pictures with their sweethearts and enjoyed snacks and dancing. Clients visited Gaylord Perry Park on February 19th and enjoyed watching a youth basketball game.

On March 8th, clients wore cowboy/cowgirl apparel to the Jamboree and had a 'howdy' good time. Clients had a picnic in the park on March 22nd and enjoyed food, music, fun, games, and finally.....WARM WEATHER! Please stay tuned for next quarter as we will be having our cultural events and starting our summer activities.

PSR CELEBRATING THROUGH ALL SEASONS

The New Year started off a bit challenging with all the winter weather we experienced, but we did not let that hinder us! To start the year off, our consumers decided not to make any new resolutions. They decided to continue to work on the ones they made the year before. PSR celebrated Dr. Martin Luther King, Jr.'s birthday by reading his biography, completing pictures, and reciting his famous "I Have a Dream" speech.

February was our busiest month as we celebrated Black History, Valentine's Day, President's Day, and National Heart Month. Consumers created Valentine cards using candy canes to make hearts. They learned the history of Cupid, and wore hearts to celebrate Valentine's Day and National Heart Month. We celebrated President's Day by recognizing past and present Presidents. Black History Month was celebrated by showing documentaries of famous African Americans, inventors, activists, reciting famous quotes and much more. The consumers participation was outstanding and our hats go off to them for a job well done! Groundhog's Day was celebrated in February and yes, you guessed it....he saw his shadow....6 more weeks of winter!

Ending the quarter, in March, the consumers celebrated St. Patrick's Day by learning the history of St. Patrick, Ireland, and leprechauns. Consumers made movable leprechauns, and shamrocks. It has been a busy and productive quarter for PSR.

Production Log—1st Quarter 2014

	Perdue	Cryovac Sealed Air	Hampton	Tons of	Tons of	Pounds of	
	Poultry Trays	Various Meat Trays	Tubes of Beads	Cardboard	Scrap Tubes	Duffle Bags	Recycling

1ST QTR TOTALS	1,553,850	3,777,600	128,425	25.59	12.06	73	124,881

The CAP Department is JUMPING into 2014

The CAP Department continued to remain busy as we entered a new year. During the month of January, each Friday the clients watched a movie of their choice and enjoyed snacks. In February, clients & staff helped celebrate the birthday of one of our oldest clients. Birthday wishes and cake made their birthday special. Black History celebrations also took place during February with watching various movies, playing trivia games, reading famous quotes, etc. In March, we had the re-Grand Opening of our Token Store. Clients earn tokens based on their attendance, work production & performance. Each month the clients can go to the Token Store to make "purchases". Clients are excited and have been working diligently to earn their tokens!

'HOSPITALITY CORNER

Looking for a different place to enjoy Breakfast or Lunch? The HC is the place! Located in the lobby of Martin General Hospital.

Springing Into Success

Vocational Rehabilitation Services

Supported Employment/Work Adjustment Achievements

Vocational Rehabilitation, Work Adjustment, and Supported Employment goals are to assist Community Based and In-House consumers with skill building, employment etiquettes, and the ability to maintain employment once obtained. Community Employment Specialists (CESs) are assigned to work with each consumer in hopes of helping the consumer improve his/her goals and successfully complete the WA program by acquiring employment and showing stability. The In-House consumers are highlighted on a monthly basis grounded on the individual's performance, attendance, behavior, production, ability to stay on task, team work, and dedication. The consumer is awarded a paid meal card, Worker of the Month certificate and 50 tokens for use in the Reward Gallery as an incentive towards his/her hard work and dedication.

Work Adjustment major benefits increased to 65 and closures increased to 45. During the first quarter of Work Adjustment, CES's Carter, Jefferson and Williams successfully placed nine consumers on various jobs throughout Lenoir, Martin, and Pitt counties. Four consumers were determined as "ready for employment". CES's are concerned about the negative stigma placed on the program and the participants. Participants have the capability to work and function at a level just as high as other employees. Employment barriers are to be dealt with during the course of job developing with the consumers which makes the CES's jobs more challenging. CES's Carter, Jefferson and Williams work diligently with each consumer to help meet their needs.

Supported Employment closures are at 17 and no placements have been made during the quarter due to the severity of the consumer disabilities and needs as well as low referrals to the program. We continue to have dedicated SE consumers that are maintaining employment ranging from one year to five years of successful employment. CESs show appreciation to the consumers quarterly through the Success Club Meeting. This quarter, the Success Outing was held in Rocky Mount at Golden East Crossing Mall, which included an informational tour at PETCO to learn about the care of ferrets, hamsters, gerbils, lizards, marine life, and snakes. During the tour the pet attendant advised us of his job description and interest in pets as well as the duration of his employment.

Also, during the meeting, participants discussed job retention, job satisfaction, and were able to share words of encouragement with a teen that was also on an outing at the mall preparing for his first day of employment at KFC. The teen shared his apprehensions about beginning work at KFC. Our consumer was able to discuss how he at first was hesitant about the work force as well as how he's persevered through the fear and now has been employed at his job for five years. Our consumer was proud of his success and his ability to share his experience with another aspiring employee. Our consumer encouraged the youth not to worry about others on his journey, but to set goals and accomplish them.

Martin Enterprises is your local facility for cardboard and computer recycling. If you have old computers and/or cardboard, our facility will be more than willing to accept these items.

If you do not hope,
you will not find
what is beyond
your hopes.
