Press release, 11-1-13:

Roll Carts Are Out!

The roll carts for this year's burned out Christmas lights collection have all been delivered to regional Walmarts and will remain in the stores until the first part of January 2014. In addition, Practicon (located in Greenville's industrial park off of Hwy 264) has placed a cart outside their office building which is available any time for drop off.

Martin Enterprises recycles electronics and the lights will be a part of this initiative. The monies generated from this collection help support programs for people with disabilities and 10% of the proceeds will go towards animal rescue-*the reason for the cats with hats!*

You can visit www.martinenterprises.org or call Susan Daughtry at 252-792-8251 for more information plus like us on Facebook at Martin Enterprises. The lights can also be mailed to **Christmas Lights, P.O. Box 1042, Williamston, NC 27892** in a box or padded mailing envelope.
