Press Release, 1-21-16: Martin Enterprises Hires Three New Community Employment Specialists

Martin Enterprises, located in Williamston, NC, recently hired three new Community Employment Specialists – Blondell Davis, Roy Moore and Latoya Rogers (pictured l to r). They will be working in Bertie, Beaufort, Hertford, Martin and Washington Counties to help Vocational Rehabilitation clients find work at local businesses.

Vocational Rehabilitation helps persons with functional, psychological, developmental, cognitive and emotional impairments or health disabilities to overcome barriers to accessing, maintaining or returning to employment. VR either works with the person to find employment or refers them to agencies like Martin Enterprises for assistance in finding the client a community job.

Hiring people through this program, quite often guarantees one of the most dedicated employees a business could hope to find. An employer also receives on-site training for the employee by the Employment Specialist and the ability to get Federal Tax Credits. For more information or to contact one of our Employment Specialists, call Martin Enterprises at 252-792-8251 between 8AM and 4PM Monday through Friday.
