## **America Recycles Day Electronics Collection**

**Press release, 10-1-14:** Held each November, **America Recycles Day** is a national day celebrating the act of recycling. This year Williamston Veterinarian Hospital, along with Martin Enterprises, will be participating by collecting used electronics at the 1729 Highway Williamston, NC location **November 13<sup>th</sup> through the 15<sup>th</sup>.**

Blue recycling carts will be out front at Williamston Veterinarian all three days for the collection.

Items accepted are computers (no monitors please), cell phones, small appliances, Christmas lights, scanners, pagers, PDA's, radios, cameras, telephones/answering machines, typewriters, speakers, video recorders, printers, plus other electronics with a plug.

Martin Enterprises, established in 1972, also collects cardboard for recycling. The cardboard and all of the electronics are sold to reputable recycling companies. The money from this endeavor goes towards funding programs for people with disabilities. In addition, a portion of the collected funds at this event will be given to animal rescue.

For more information contact Susan Daughtry at Martin Enterprises 252-217-4119 or Christie Moses at Williamston Veterinarian 252-792-3000.
