CHRISTMAS PERFORMANCES

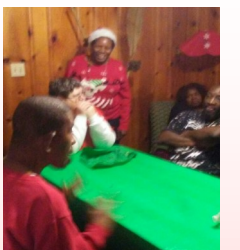

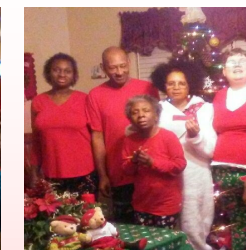

ROBERSONVILLE CHRISTMAS
PARADE

WEEK OF FEAST

This quarter the consumers participated in Spirit Week where they dressed in themed attire for four days. The week ended with a Fall Festival with Refreshments provided by M&M Favors. During the month of December, consumers were busy making ginger-bread houses, decorating cookies, and making wreaths out of clothes pins. The consumers spent the week before Christmas reciting poems, playing holiday games, performing holiday stories, and going all out in sing-a-longs. The consumers embraced the holiday spirit by giving their time and donating much needed items for gift bags. The consumers were able to fill 159 Christmas gift bags for the Williamston House and Roanoke Rehabilitation Center.

ARC/UCP GROUP HOMES

This quarter, the residents attended Friends and Family Day at New Fellowship Church, attended a Men's Day program at St. Mark Missionary Baptist Church, and they laughed and cried at a retirement dinner for Inez Austin at UCP.

Both homes attended the Temple of Christ in Plymouth and the Brown's Annual Thanksgiving gathering at E.J. Hayes Alumni building in Williamston. They were able to socialize, make new friends, and enjoy a wonderful Thanksgiving dinner.

The residents contributed in the decorating of the Group Homes for the Christmas holiday. The residents attended a holiday jambo-ree and enjoyed watching the Williamston and Robersonville Christmas parades despite the cold weather. The residents are always excited about the ARC/UCP Annual Friends and Family Christmas Party at Martin Enterprises. The Party was a huge success! The residents ended the quarter with a Christmas Cantata, a Polar Express Pajama Party, and a wonderful Christmas dinner with the Rodgers family.

The ARC and UCP residents are excited about the adventures 2019 will bring. They will just have to share themone quarter at a time.

VOCATIONAL REHABILITATION

This Quarter we had 3 Work Adjustment placements and 2 Supported Employment placements. Jimbo Jumbo's Peanuts, Iconic Marine Group, Ann's House of Nuts, KFC/Taco Bell of Williamston, McDonald's of Williamston, QSI Sanitation, and Empire Recycling have contributed to our success for the quarter. We are thankful for the opportunity these employers have provided for our clients.

Our monthly VR client meetings continue to play an important role in preparing individuals for work. Each month at the client meetings a worker is selected for Worker of the Month based upon excellence in Attendance, Productivity, Cooperation, Attitude, and Behavior. The Worker of the Month receives 50 tokens for the token store and a Walmart gift card. The WRAP program out of Greenville continues to provide innovative ideas for seeking employment and words of encouragement to our clients.

If you or your company is interested in receiving services through the Vocational Rehabilitation Program at Martin Enterprises, please contact Sonona R. Jefferson, VR Service Manager at (252) 792-8251. We look forward to serving you or your company's needs in the future.
