Wellness Committee

The Wellness Committee wanted to spend the last quarter of the year spreading a little holiday cheer through giving. In the month of November, the Wellness Committee partnered with the Department of Social Services to provide two needy families with Thanksgiving boxes for a nice Thanksgiving dinner. In the month of December clients and staff donated items and money to fill 136 Christmas treat bags with useful items for the residents of Vintage Inn and Williamston House assisted living facilities. Our very own Curtis L., led us in caroling at both facilities. The residents thoroughly enjoyed the singing and the fellowship.

VOCATIONAL REHABILITATION

VR has employed a new **CES, Rene Wiggins!** She is off to a great start. Originally from Brooklyn, NY; Rene was raised in Williamston, NC. She is a graduate of the old Williamston High school (now Riverside High School) class of 2003. She attended Winston Salem State University where she served on several leadership boards. Since that time, she has worked with many people from different walks of life and feels ready for her new role as a Community Employment Specialist for Martin Enterprises.

We have accumulated three Work Adjustment placements and two Supported Employment placements this quarter.

We continue to be thankful for the employment opportunities provided for our clients. Professional Staffing, Perdue Farms of Lewiston, Bojangles, McDonalds, Burger King, Executive Personnel, Roses, and Mega Force Staffing Solutions continue to be active in hiring our consumers throughout the multiple counties we serve. A special thank you is extended to all employers that have aided our consumers in finding employment.

In May, the VR Department partnered with The Martin/Bertie County Re-Entry Council to assist individuals in the community, with criminal records, obtain employment. The Re-Entry Council is developing quickly to be recognized by state and local levels. It is our hope to continue to help break down barriers for our clients.

The Fourth Quarter Success Club Meeting was held at the Greenville Mall on December 20th. Participants enjoyed lunch afterwards in the Food Court. CES Cooper headed up the Success Club Outing.

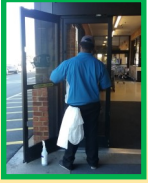

If you or your company is interested in receiving services through the Vocational Rehabilitation Program at Martin Enterprises, please contact Sonona R. Jefferson, VR Services Manager at (252) 792-8251. We look forward to serving you or your company's needs in the future.

ARC and UCP Group Homes

ARC and UCP Group Homes have thoroughly enjoyed this quarter's events to closing out 2017 and preparing for 2018. The residents celebrated special events in addition to birthday parties and church functions. They enjoyed a Christmas party with family and friends complete with joyous singing, good food, and love. The residents were able to take a tour of Christmas lights through different neighborhoods throughout the county. There was a bittersweet end to our exciting year as we bid farewell to a retiring staff member, Loraine Norfleet. She had been with the company for 11 years, and we are all going to miss her motherly love. The staff and residents held a retirement party to wish her well in her new walk in life.

CLFS, PSR, and Innovations

This quarter the clients were joyfully active. In October, they dressed up each day for "Spirit Week" and enjoyed a festival at the end of the week. The clients attended a seminar with Investigator Christina Jones, and Sheriff, Kevin Beck, as speakers on the dangers of online dating. They also attended an action-packed "Healthy Eating" seminar with Dietician, Sarah Overholt, as the speaker. The clients assisted in collecting donations for The Ronald McDonald House in Greenville, NC. Once the items were collected, the clients and staff delivered them to The Ronald McDonald House. In November, clients donated food items and staff donated money to help fill a total of 3 Thanksgiving boxes. The clients were excited about delivering the boxes and witnessing the joy that they were able to bring to the needy families. In December, the clients participated in various activities with the spirit of Christmas: making melted snowmen ornaments, making treat bags to pass out at nursing homes, taking Bibleway Pantry food bags to the elderly, and participating in games and group performances during our annual Week of Feasts. It has been an eventful quarter and an awesome year. The clients and staff are looking forward to making 2018 even better. Stay tuned!
