Press Release, 6-5-19: New Community Employment Specialist at Martin Enterprises

Martin Enterprises, located in Williamston, NC, recently hired Yolanda Belcher, as a Community Employment Specialist. She will join Program Manager, Sonona Jefferson, and current Community Employment Specialists, Randell Duggins and Tammara Huffman, in assisting Vocational Rehabilitation clients in finding jobs in Bertie, Beaufort, Hertford, Martin and Washington Counties.

Yolanda, a Williamston native, worked in Raleigh as an Administrative Assistant for IBM for a year and a half, after graduating high school. She returned to Williamston, over 20 years ago, to work in the mental health field with Elite Care Incorporated and then with Uprising Homes.

Vocational Rehabilitation helps persons with functional, psychological, developmental, cognitive and emotional impairments or health disabilities to overcome barriers to accessing, maintaining or returning to employment. VR either works with the person to find employment or refers them to agencies, such as Martin Enterprises, for assistance in finding the client a community job.

Hiring people through this program, quite often guarantees a dedicated employee. An employer also may receive free on-site training for the employee, and the ability to get Federal Tax Credits. For more information or to contact one of our Community Employment Specialists, call Martin Enterprises at 252-792-8251 between 8AM and 4PM Monday through Friday.
