Welcome back,
Linda Carter, our
new VR Training &
Resource Assistant!

Welcome, our new
CES Yolanda Belcher!

VOCATIONAL REHABILITATION

Martin Enterprises, located in Williamston, NC, recently hired Yolanda Belcher, as Community Employment Specialist. Martin Enterprises also re-hired a retired employee, Linda Carter, as a Vocational Rehabilitation Training and Resource Assistant. They will join VR Services Manager, Sonona Jefferson, and current Community Employment Specialist, Randell Duggins, in assisting Vocational Rehabilitation clients in finding jobs in Bertie, Beaufort, Hertford, Martin, and Washington Counties.

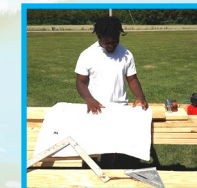

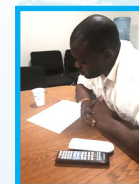

Linda, a native of Martin County, grew up in Robersonville, NC. She graduated from East End High School and earned a Bachelor's Degree in Business Administration from the University of St. Augustine in Raleigh, NC. She worked at Martin Enterprises for 36 years as a Community Employment Specialist (CES) before retiring in 2015. Linda is an active board member of the Faith Community Outreach food pantry in Robersonville, NC and serves as a volunteer in food distribution. She is passionate about helping people and being as resourceful as she can be. She hopes to help support the continued success of Martin Enterprises and the Vocational Rehabilitation department.

Yolanda, a Williamston native, worked in Raleigh as an Administrative Assistant for IBM for a year and a half, after graduating from Williamston High School. She returned to Williamston, over 20 years ago, to work in the mental health field with Elite Care Incorporated and then with Uprising Homes. She serves on the Youth and Women's Committee and is a Teen Sunday School Teacher at United Holy Church of Deliverance. Her goal is to work with Martin Enterprises and do as much as she can to help the developmentally disabled live and thrive in their community.

Vocational Rehabilitation helps persons with functional, psychological, developmental, cognitive and emotional impairments or health disabilities to overcome barriers to accessing, maintaining or returning to employment. VR either works with the person to find employment or refers them to agencies like Martin Enterprises for assistance in finding the client a community job.

Hiring people through this program, quite often guarantees a dedicated employee. An employer also may receive free on-site training for the employee, and the ability to get Federal Tax Credits. The following companies have contributed to our success for the current quarter: Bojangles of Windsor, Flagstone of Robersonville (formerly Ann's House of Nuts), Penco Products of Hamilton via Executive Personnel, Roses of Edenton, McDonald's of Plymouth, and GameStop of Washington. The companies in Williamston consist of: Vintage Inn, Ribeyes, Hitch N Post, Wendy's, and Roanoke River Care.

For more information contact Sonona Jefferson, VR Services Manager, at (252) 792-8251 between 8AM and 4PM Monday through Friday. Or visit www.martinenterprises.org and please join us on Facebook.

OF MARTIN ENTERPRISES

One of the best ways to get your business name out is to "leave" your name behind! You can do this by purchasing pens, notepads, mini flashlights, key chains, etc....(the possibilities are endless!) Anytime you are out and meet a possible client, you can hand them one of your items. When they use this item, they will see your name. It is so easy and relatively inexpensive! Call us today or go to our website - 252-789-0508/htmconcepts.com to get started.

Welcome our newest
HTM employee,
Anquansha Williams!

ARC / UCP GROUP HOMES

This quarter, the clients at ARC and UCP Group Homes have been working on living healthier by choosing healthier foods to eat and exercising. The clients have attended several social functions this quarter. They attended birthday gatherings with friends from Oak City Baptist Church, dressed up and took glamour shots at the May prom Jamboree, enjoyed train rides, dancing, and playing games at the 10th annual Differently Abled Fun Fair at Koinonia Christian Church, and eating their favorite grilled foods at the Memorial Day cookout at UCP.

Welcome, Teresa Lawrence, our new CLFS Instructor!

RONALD MCDONALD HOUSE DONATIONS

STRAWBERRY PICKING WITH MITCH FROM TRILLIUM

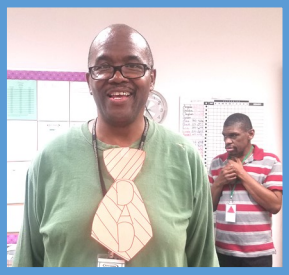

CLFS, ADVP, PSR, and Innovations have been busy this quarter. Each group participated in picking strawberries in Jamesville with Mitch from Trillium. This year, Trillium paid for one batch of strawberries for each client as part of the Eat The Rainbow program. Clients collected soda tabs and other materials and donated them to the Ronald McDonald House in Greenville. The clients actively participated in a variety of activities: making flowers out of tissue for Mother's Day, making paper ties, certificates, and cards for Father's Day, going to the movies, helping with Social Club and other fundraisers, having fun completing cooking goals, and volunteering in the community. The clients were very excited when Martin Enterprises was awarded the Volunteer of The Year award from the Martin County Department of Adult and Aging Services. Being able to give back to the community is a joy, so receiving an award for something you love doing, is a plus. Martin Enterprises would like to take this opportunity to thank all the clients and instructors for the time they have spent caring for others in the community.
