CHRISTMAS

ARC/UCP GROUP HOMES

ARC and UCP residents enjoyed numerous events throughout this quarter. In October, the residents and staff participated in dressing up in Halloween costumes as they attended a Jamboree. The residents enjoyed an exciting evening of trick-or-treating from table to table, eating great food, listening to live music, and dancing. They also participated in a Halloween contest, where one of the residents from ARC won best costume.

In November, the residents had so much fun at the last jamboree that they decided to go back and do it again at the Thanksgiving Jamboree. They enjoyed a live band and had a delicious meal prepared by the Tasha Smith Scholarship Fund and Headhunters Biker Club. Thanks to everyone that made this Thanksgiving event a great one.

In the month of December, the residents just could not stay away from the Christmas Jamboree. Dressed in Christmas attire, they socialized with friends, ate their fill of good food, and received great gifts. The residents also attended the Williamston Christmas Parade, which they thoroughly enjoy every year. Later in the month, the residents received a visit from their friends at the Oak City Baptist Church. The ladies cooked a wonderful meal with several delicious desserts, presented lovely gifts, and sang Christmas carols with the residents. It was a wonderful thing to behold! Last but not least, the residents attended a Polar Express themed Christmas party that was held for them and their families at Martin Enterprises. They wore pajamas or an ugly sweater, ate plenty of good food, socialized with their friends and family, played games, and helped host some of the party events. The ARC and UCP residents know how to have fun! They are looking forward to the adventures the next quarter has to offer.

VOCATIONAL REHABILITATION

This quarter, the Vocational Rehabilitation department placed six Work Adjustment clients and one Supported Employment client on jobs in their communities. Stella's Café of Plymouth, Clara Manor of Washington, Solid Foundations, and Perdue have contributed to our success for the current quarter. HTM Concepts also hired a client as a Clipper. A special thank you is extended to all employers that have aided our consumers in obtaining employment.

Martin Enterprises has partnered with Martin General Hospital and Martin Community College to start a pilot program providing onsite training through our Vocational Evaluation service. North Carolina Division of Vocational Rehabilitation Services will be discontinuing in-house Work Adjustment Training services in 2021 to allow broader training skills to be obtained in local communities. Individuals will be trained for a variety of work skills not limited to, but including janitorial, serving, stocking, filing, food prep, and customer service. We look forward to this venture being a success and providing additional opportunities for our consumers.

If you or your company is interested in receiving services through the Vocational Rehabilitation Program at Martin Enterprises, please contact Sonona R. Jefferson, VR Services Manager at (252) 792-8251. We look forward to serving your or your company's needs in the future.

NEW YEAR'S CELEBRATION

CLFS, PSR, & INNOVATIONS

This quarter the CLFS, PSR, & Innovations consumers have been busy. In October the clients participated in Spirit Week, dressing according to the daily themes. At the end of the week, the clients enjoyed a day of celebration with goodies, games, and dancing.

November started with a fitness walk at the Gaylord Perry Gym and ended with clients and staff donating items for Thanksgiving baskets that were delivered to 4 Martin County families. Oh, the joy of giving!

In December, the clients tested out their bowling skills at the Williamston Bowling Center and enjoyed pizza for lunch. Later in the month, clients and instructors filled two-hundred and twenty gift bags with goodies and delivered them to our neighbors at the local nursing homes. The clients at Martin Enterprises continued their weekly volunteering in addition to the other activities. Stay tuned for next quarter's events!
